REMARKS

Claims 1-23 are all the claims pending in the application. Claims 15-16 are withdrawn from consideration pursuant to an election of species requirement. This Amendment amends claim 15 and adds new claims 22-23.

Applicants have amended the specification to correct figure reference numbers and to update cited applications with publication numbers. Figures 1 and 5 are amended to correct misdirected pointer lines. No new matter is added.

As page 1 of the Action does not indicate that any claims are withdrawn, it is Applicants' understanding that the Restriction Requirement dated January 28, 2005 was withdrawn in favor of the present Election of Species Requirement.

In response to the Election of Species Requirement, Applicants elect **Species I** including claims 1-14 and 17-21. Claims 15-16 are withdrawn and claim 15 is amended (*see* 37 C.F.R. § 1.21(c)(2) with regard to the amending of withdrawn claims).

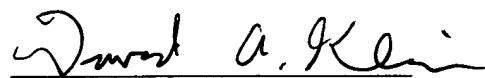

Applicants add new claims 22 and 23, which Applicants submit are generic. Reinstatement of withdrawn claims 15 and 16, upon allowance of generic claims 22 and 23, is respectfully requested.

Applicants authorize the Commissioner to charge any fees determined to be due with the exception of the issue fee and to credit any overpayment to Deposit Account No. 11-0600.

The Examiner is invited to contact the undersigned at (202) 220-4209 to discuss any matter concerning this application.

Respectfully submitted,
KENYON & KENYON
